Review: 25 years ago I read Preparing for Contact. Today I have just finished reading this book. Everyone sensitive and aware of the huge transition, we (humanity) are going through, should read this guide. It is a wonderful overview. This book is a simply written profound statement of the genesis and importance of humanity in the big big picture. I am glad...

Description: The Prism of Lyra is an exploration of Human Galactic Heritage. The Prism of Lyra is a book that examines the idea of creation in a different light. In contrast to the notion that humans are the result of creation, it explores the idea that the collective humanoid consciousness (or soul) created our universe for specific purposes. What are those purposes?...
